FILE: ███████████   Office: CALIFORNIA SERVICE CENTER   Date: FEB 1 0 2004

IN RE: Applicant: ██████████████████

APPLICATION: Application for Status as a Temporary Resident pursuant to Section 210 of the
Immigration and Nationality Act, as amended, 8 U.S.C. § 1160

ON BEHALF OF APPLICANT: Self-represented

INSTRUCTIONS:

This is the decision of the Administrative Appeals Office in your case. The file has been returned to the service center that processed your case. If your appeal was sustained, or if your case was remanded for further action, the service center will contact you. If your appeal was dismissed, you no longer have a case pending before this office, and you are not entitled to file a motion to reopen or reconsider your case.

Robert P. Wiemann, Director
Administrative Appeals Office

DISCUSSION: The application for temporary resident status as a special agricultural worker was denied by the Director, Western Service Center and is now before the Administrative Appeals Office (AAO) on appeal. The case will be remanded for further consideration and action.

It does not appear that the Service's (Citizenship and Immigration Services, or CIS) response to the applicant's request for a copy of the record has been properly addressed. It is evident that this correspondence was sent to the applicant at an address that is both incorrect and out of date. Therefore, a copy of the record must be mailed to the applicant at his most current and correct address.

Accordingly, the case will be remanded for the purpose of processing the aforementioned request and sending a copy of the administrative record to the applicant. Any brief or additional information that is submitted by the applicant subsequent to the processing of the request shall be considered by the director. If the applicant has not overcome the denial, the record should be forwarded to this office for consideration.

ORDER: The case is remanded for appropriate action.
